

# *Kick-off Meeting*

## **BALTIMORE'S SUSTAINABILITY PLAN**

**Tuesday, May 27<sup>th</sup> at 6:30pm**

**The Phoebe Stanton Boardroom  
417 E. Fayette St. 8<sup>th</sup> Floor  
Baltimore, MD 21202**

**(Identification is required to enter the building)**

The Office of Sustainability and the Sustainability Commission will outline the process for developing Baltimore City's Sustainability Plan. Also at the meeting, public meeting dates for the following six working groups will be announced:

- Energy & Air
- Water
- Waste
- Green Infrastructure
- Built Environment
- Transportation

This is a tremendous opportunity to help set Baltimore's short and long-term sustainability goals and truly make a difference for our future. Please get involved! Forward this message to people that you think may be interested in attending.
